Re: Approval of Work Plan & Cost Estimate of Task Order 653DP-11A (Henry PushPoints)
Edgecombe County Landfill
2759 Colonial Rd, Tarboro, Edgecombe County, NC
ID#: NONCD0000653

Dear Ben:

The Unit has reviewed Schnabel's **September 10, 2015** *Work Plan & Cost Estimate* of the task order 653DP-11A for the above site in *Edgecombe* County: Edgecombe County Landfill. Based on the review, the cost estimate for Task Order **653DP-11A** in the amount of **\$5,458.50** is approved. This letter serves as notification of that approval and as authorization to proceed with activities associated with that work plan. Please incorporate the Henry PushPoints results with **653DP-11** work, conduct Lab data review, and submit the **653DP-12** Report to us in two weeks after receiving appropriate laboratory results.

While the total expense on the invoice cannot exceed the amount approved, individual task components within this task approval may vary. Any increase in cost to this scope of work must be approved prior to implementation. A task order addendum must be requested to cover an additional scope of work or unforeseen site circumstances. Notify me immediately and request additional funds to cover eligible and reasonable costs. Cost of additional work conducted without approval will be ineligible for payment.

If you have any questions, please contact me at (919) 707-8347, or zi-qiang.chen@ncdenr.gov, or my supervisor Ms. Cheryl Marks at (919)-707-8333. Thanks!

Sincerely,

Ziqiang Chen, PhD, Environmental Engineer II
NCDENR Division of Waste Management
